Subject: Introduction and an effort to know about my kids

Greetings,

Last week an email was sent to numerous addresses at North Hills Christian School as well as a postcard. Perhaps it was a busy week, so the full email is duplicated below. Like the previous email this one is online at: <http://kozlowski.org/Promise,NorthHills-2021-11-22+1>. I am requesting a response as I want to know about my kids. Many are attending or have attended your school without my knowledge or permission. I am again requesting a response to allow me more information about my kids, as required by man's law, and more involvement in their education, as required by God's law.

Your attention to this matter would be most appreciated.

Respectfully,

John Kozlowski

Greetings,

My name is John Kozlowski. I am the husband of Dorothy-Jane Kozlowski, and dad to George, Susanna, Gloria-Jane, Walter and Zadok, as well as four other grown children. This is a request to find out more about our kids.

Since you call your institution "North Hills **Christian** School", I will assume that means you are followers of Christ as the about page states. I will be stating my position and request also as a follower of Christ.

I have seen my wife described as "a single mother of five." Clearly this is not the case as the Lord defines marriage and not the state. Contrary to obedience to Christ my wife did abandon me and has ignored reconciliation efforts contrary to 1st Corinthians 7:11. The idea of being single is contrary to numerous things such as Romans 7 since as of today I still have a heartbeat, although I do suffer from Takotsubo Cardiomyopathy.

However, while the Lord's commands are ignored, we also see the laws of man ignored. The state declares I have a right to communicate with my kids and know about their education. This is obviously ignored as seen at <http://Family.Kozlowski.org> which has a log of over 1,300 consecutive unanswered voicemails, many on video, that demonstrate that man's law allowing me multiple calls per week to my kids is simply ignored. As the popular refrain of the day goes: "rules for thee and not for me."

The law states that I am at least to be informed about my kid's education. It was only through my own research that I found out that they attended your facility. Consider Walter and Zadok who both recently had birthdays. I have never celebrated a birthday with Zadok, and if the two of them stood in front of me I would not recognize them as I have not had photos of them in years. This is an example where Leviticus 19:18 does not have to be applied toward me for some reason.

This dad is trying to teach his sons about what it is to be a follower of Christ. For recent examples you can view my birthday greeting to Walter “**Watch, stand in the faith; be men, be strong; let all your things be done in love.**” <http://family.kozlowski.org/2021-11-13+1>. Then there is “**Be a man not a wimp. Love Well!**” to Zadok <http://family.kozlowski.org/2021-10-30+1>. I am aware that some will want to shelter them from this as I make the case from the Scripture which is clearly offensive to many. So now I want to find out what they are being taught.

I want to know if they are hearing from those that would have been part of the Confessing Church in the previous Reich. I want to know if they are being taught that history. I have made an attempt to teach my kids about history, such as with “**Foundation • Kaiser Kurios (Caesar is Lord) • Sieg Heil (Hail Victory) • Social Distancing?**” <http://kozlowski.org/2020-04-29+1>. That video was taken down by YouTube as hate speech. Would you consider it the same, or would you stand with me? I’m sorry, but that is not a light duty question.

There is also a desire to teach my kids about whistleblowers, as I call myself a repeat offender. My video “**All Hail the Whistleblower**” was gut wrenching to do and it is the model I want to set before my kids. <http://kozlowski.org/2021-08-01+1>. I want them to know history and the present as I described in “**Call attempt #1,219 - Day 1,766 - Postcard to George - Michael New - Ethan McCord - You – Me**” <http://family.kozlowski.org/Voicemail-2021-07-01>. I want my kids to know why I have such respect for both Michael New and Ethan McCord. I want them to know what it is that put them on the world stage and what characteristics they should have if the Lord places them in similar situations.

Then I want to teach them about the Christ who describes Himself in the Bible, not the one the institutional church seems to proclaim. I want to set before them “**Draft and Challenge: “The Bible is true and the institutional church is a fraud”**” <http://kozlowski.org/2021-04-25+1> which requires a mind to think in order to engage rationally on the subject, and prepare them to rationally engage others. As I state to others, if you cannot engage me, a follower of Christ striving to love, you will never be able to engage with the world who hates you. Then considering hate, my efforts to reconcile with leadership at Meadowview in Lexington were responded to with them sending the police to intimidate me: “**What model does the religious leadership follow, past and present?**” <http://kozlowski.org/2017-11-19+1>. That trusting in the state rather than the Lord seems to be commonplace.

Since there is also a concern in many educational institutions about masks and vaccines, I would like to know about your policies. This dad gives **NO permission** for any vaccine for his kids. Please consider the evidence offered at: “**Call attempt #1,291 - Day 1,869 - Postcard to George - Evidence about the vaccine**” <http://family.kozlowski.org/Voicemail-2021-10-12>. You may be aware that our son George may have had a serious impact due to vaccines. If this video doesn’t give you pause on the issue, you are simply a minion.

I also refuse to allow my kids to wear a mask. As I have proclaimed there are decades of studies showing that masks are useless to prevent the spread of a virus. I point out that stopping the virus with a mask is identical in proportion to stopping mosquitoes with a chain-link fence. That the mask is simply the armband of 100 years ago as it is to show submission, as there is no science, but rather only scientists and authorities behind it. For reference I have never worn a mask. I am aware that my wife has used them. I also see from the images on the home page of your website that you seem to encourage their use. This is a concern!

In my effort to reconcile my family I have made many efforts. Early in 2021 I started sending postcards to numerous people with the “**Promise**” theme and the images of all of the postcards are online, including the one in a Mason jar on the top of Big Frog Mountain. You can find them at: <http://kozlowski.org/Promise>. When my first stack of printed postcards was exhausted I had a second batch of 250 printed with the additional link to <http://kozlowski.org/HeBeggedUs> referring to Genesis 42:21 and Joseph’s brother’s statement “He Begged Us”. Note that my middle name is Joseph and I have been begging for reconciliation with many for almost a decade. Sound familiar? **You might find the video at that link insightful, at least for the followers of Christ. It might be the most important video to watch.**

A postcard is sent daily and today it was sent to North Hills. You can find the image at: <http://kozlowski.org/Promise-2021-11-15>. You see after almost a decade I am still striving to reconcile my family. My efforts have been returned with cold hearts. Perhaps you can see why I have used 1st John 3:15 to challenge others.

Rejection by family and institutions can be very destructive to a man. However, the Lord's grace can overcome it all. While I remain weak, I have seen and do know the Lord's grace in my life. I hope you can see that I am attempting to shout it from the rooftops. As I have stated repeatedly, I will state again, I will not stop pursuing reconciliation until my last breath. Please be a part of making that a reality!

Please be aware that this email to you is public and online at: <http://kozlowski.org/Promise,NorthHills-2021-11-15+1>. The online PDF shows the info@northhillschristian.com email address, but this will also be sent to others. It is likely that any response from you will be made available in the same way.

Respectfully,

John Kozłowski
